NEWSLETTER OF THE PENNSYLVANIA RAILROAD CHAPTER OF THE CONSTRUCTION SPECIFICATIONS INSTITUTE

WWW.CSIPRR.ORG

June Meeting

Eric Berg with Cleveland Bros Equip Co. (formerly Beckwith) will make a presentation on Caterpillar Equipment. This is a show on big boys' toys!!! Have you ever wanted to drive a caterpillar D-11 ripper? Come to the June CSI Chapter meeting and you'll be much closer...!

Cleveland Brothers Equipment Co., Inc. can trace its origin back to 1937 when Bob and Roy Cleveland started a landscaping contracting company. The company evolved through the years working on numerous high profile jobs. In search of new opportunities, Bob and Roy took over the Caterpillar dealership in Central Pennsylvania.

The Chapter meeting will take place at the Bullpen Restaurant in Tyrone, PA at 5:30 p.m., Tuesday, June 5, 2007. The cost is \$20 for a buffet dinner preceding the presentation.

RSVP by June 4 to Mike Lechleitner at mikelechleitner@lrkimball.com or 814-472-7700 ext 252.

Chapter News

Join the Baltimore chapter for their gold outing on June 19, 2007 at the beautiful Turf Valley Resort outside of Baltimore.

This is the day before the National Convention officially kicks off in Baltimore & we are planning an exciting event with many prize opportunities, including a hole-in-one prize of \$10,000.

There are two ways to register – by using the line located on the Institute Registration form for the National Convention or by contacting Marvin Kemp separately at the following e-mail: mkemp@designcollective.com

Institute News

Another reminder that this year marks the 51st annual CSI Show & Convention. The Show will take place in Baltimore, Maryland from June 20th through June 22nd. Here are a few reasons why attending this event is beneficial to anyone in the construction industry. The exhibit hall is free to everyone and offers over 200,000 square feet with almost 450 exhibitors.

- Get information on GreenFormat in the CSI Booth.
- View new products and initiatives.
- Visit the NASA Goodard Space Flight Center.
- Enjoy a tour of the \$63 million refurbished legendary Hippodrome Theatre.

The education package is \$369 for CSI members and offers 110 programs for over 30 hours of education available for each attendee. There is simply no better place to learn about the construction industry than one of the largest industry events, The CSI Show and Convention. Don't miss this great opportunity, it may not be back within driving distance for another decade. Come to the June Meeting of the Pennsylvania Railroad Chapter to find out more.

The Construction Specifications Institute is a nationwide non-profit technical organization dedicated to the improvement of specifications and building practices in the construction industry through service, education and research. Founded in 1948, CSI provides a forum for architects, engineers, specification writers, contractors, suppliers, and others in our industry. Membership is open to all who are involved in the built environment. Please contact Chapter Membership Chairman, Shane Lanzendorfer, 866-460-5610, or any chapter officer listed on the back of the newsletter.
