November Meeting

Join us for a program on "Wind power generation and the development of wind farms" by Tim Vought, Senior Project Developer of **Gamesa**.

Gamesa generates electric energy of renewable origin, essentially based on the promotion and running of wind farms, the manufacture of wind turbines and the providing of advanced services to the technology for energy sustainability sector

Gamesa is one of the main wind turbine manufactures, in 2006, it was ranked 2nd worldwide in turbines supplied with more than 10,000 MW installed and with a market share of 15.6 %.

In 1995 **Gamesa** initiated its activity as a developer of wind farms with **Gamesa Energia** catering for all the tasks related to the development of projects for the generation of electricity from wind.

The first projects were developed by **Gamesa** in Aragon Spain in 1996 to Galicia in 1997. In 2000 the international development of **Gamesa** became more firmly consolidated through projects in Portugal, Italy, France, Greece, Germany and the United States.

Please notice that the Meeting was changed to Wednesday to avoid conflict with Election Day.

The Chapter meeting will take place at the Bullpen Restaurant in Tyrone, PA at 5:30 p.m., **Wednesday**, November 7, 2007. The cost is \$20 for a buffet dinner preceding the presentation.

RSVP by November 2 to Mike Lechleitner at mikelechleitner@lrkimball.com or 814-472-7700 ext 252.
